True Blue

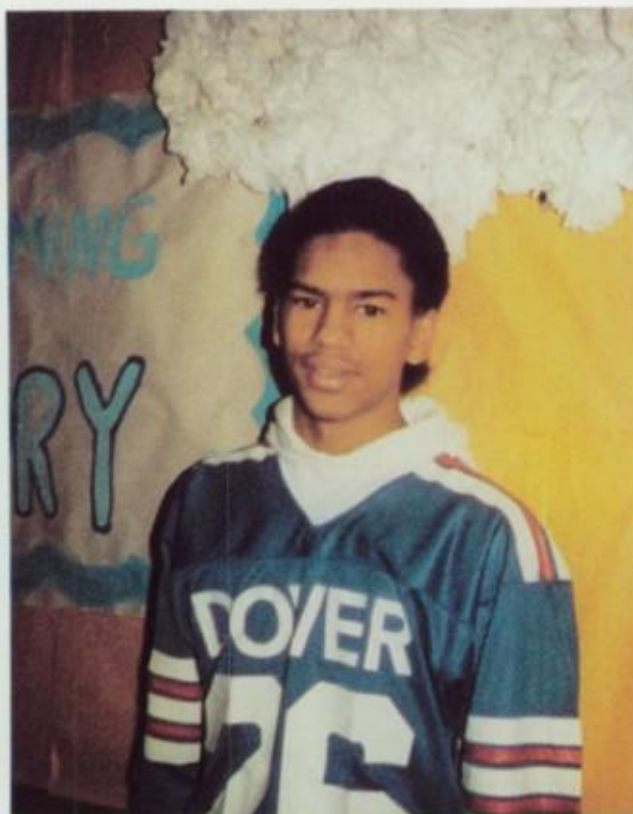

During our four years at Dover High School, we have experienced four years of friendship, caring, striving, achieving and endless attempts to excel in life. Through the ups and downs of each new year, we have learned and matured from inexperienced freshmen to "worldly" seniors. Now as we move on to the future and leave behind the good times and memories of the '86-'87 school year, we know that these years will live true blue in our hearts forever

So come and remember . . .

High School to you?

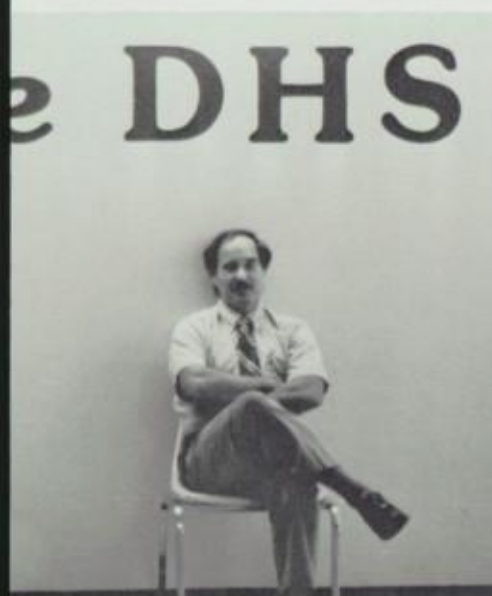

True Blue

The teachers in Dover High are more than *just* people who stand in front of a classroom and yell at the students and assign tons of homework. Our teachers are special, they go beyond just teaching. Most teachers volunteer their time to participate in extracurricular activities like sponsoring a club or class. Others take time to coach for our intramural sports department. Also if a student needs extra help, many teachers stay after school to assist them with their problems. Furthermore, the faculty of Dover High eagerly supports these activities by attending games, concerts and plays. All of these qualities make our faculty true blue.

Instead of the doldrums of grammar, the Dover High School English Department stimulates creative thinking and writing through the use of many literary projects. Studying works that range from Great Books selections to Shakespeare's *Hamlet* to George Orwell's *1984*, students also have the opportunity to write and publish their own works. One ave-

nue for this is the *Later Lotus*. Published annually, it features short stories and poems written by students. Printed monthly, the school newspaper, *The Senator*, allows students to collect research and conduct interviews to produce feature articles. Intense student involvement is definitely a trademark of the English Department.

Class Of 1987 Seniors

We the Senior Class, of Dover High School will be leaving so much behind when we graduate. We leave the class of 1991, the upcoming freshmen, our own uncertainties, uncertainties of life, especially those in high school. To this past year's freshmen, look forward to Driver's Ed. and continuing to gain memories to carry with them forever. To the sophomores, you will have the pride of being the next best thing to Seniors, and attending the Prom. To the class of '88, we leave all the good times of a GREAT Senior year.

We leave all this and much, much more but we will carry just as many memories away. Forever with us will be giant 87s around the parking lot, the Proms, Pep Rallies, our Senior trip, memories of crowded hallways, cramming for Midterms and Finals, pop quizzes, and rushing to beat the late bell. These and other good times we've shared with friends will never be forgotten.

Remember, we are all TRUE BLUE.

From the first sound of the trumpets playing and the drums beating, the annual Homecoming parade began.

First, came the Senator band, marching in step to the music. Then came the senior candidates smiling and waving to the crowd, each anxious to hear who will be named the king and queen. Following them was the winning senior float. Next were each of the underclass attendants and their floats, all displaying their hard work put into them. As the parade ended, the football game was ahead and the fun and excitement began.

Queen candidate, Michelle Isemann, was crowned by Tony Farlow on October 17th, the night we opposed Salesianum. After a long game, Salesianum proved victorious. The excitement of the night warmed everyone up for the unforgettable Homecoming dance, Saturday night, October 18th.

All the attendants and Senior candidates gathered that evening and the king candidate, Joe Bedford, was crowned and announced by Vince Maximo. This was followed by the traditional slow dance by the king and queen.

A Look At Last Years Memories

Prom 1986

It all started when the Juniors began working hard on the decorations for the big night ahead, the Junior-Senior Prom. Saturday evening, May 24, 1986 at 9 p.m. in the Ballroom of Kent North VoTech Center, the festivities began. The couples danced to the music of "Play 5" at 10 p.m. the King and Queen were crowned. The Queen was Tammy Geroski and the King was Bobby Cury. They danced to the theme song "One More Night".

"ONE MORE NIGHT"

We Live For Weekends!

Weekends

"We live for weekends!" That's the time Dover High students can drop their books, kick back, and plan for an exciting weekend. They look high and low. Maybe a party? Or a dance? Anything as long as they can have fun.

Friday nights hold endless possibilities depending on where you look or what you are in the mood for. At the beginning of the year, football games held the answer. All night was devoted to walking around, socializing, and of course cheering Dover to victory. After football season was finished, the opportunities did lessen somewhat. However, basketball games and wrestling matches were often the key in spending the early hours of the night. Being with friends, whether at parties parties, dances, etc., filled the gaps in between.

Everyone knows Dover is not the most exciting city, but depending on how hard you look there is always something to do.

Presents

Clytemnestra

The Act I Players, directed by Gil Given, started this season, with their fall production, *Clytemnestra*. Originally adapted from three Greek tragedies, The Act I Players incorporated a Japanese-acting technique called Noh Theatre, to create a highly acclaimed drama production. It starred Jennifer McCleary as Clytemnestra, Sarah Zimmerman as Cassandra, Chris McNulty as Electra, John Mingus as Orestes, Sandi Cornell as Apollo, Stephanie Young as Athena, Matt Murray as Tyndareos, and the Furies were Leigh Finch, Stacey Fletcher, Jennifer Postles, and Leslie Steele.

Their winter play was at the other end of the acting spectrum entirely. They presented Neil Simon's comedy, "The Star-Spangled Girl". It starred John Mingus as Andy, Matt Murray as Norman, Chris McNulty as Sophie, and Stephanie Young as Landlady. The play received excellent reviews and was a success.

MON. 50'S DAY

SPIRIT WEEK
THURS. BUM-OUT HALL DECORATING
FRI. KISS. BLUE FAV. WHITE ATHELETE. JERSEY

Spirit Week is a special week, where everyday there is a different theme. Participation in this shows our school spirit and it also motivates our football team to win the upcoming game.

There are usually only two spirit weeks each year. One before Homecoming and one before the big game against our rival, C.R. Some of the more popular themes are pajama/stuffed animal day, sweatshirt (bum-out) day, dress as your favorite person, and blue & white day. On the last day of spirit week, pep rallies are held, where the winners of hall decorations and class rallying are announced. All the competition and spirit of this week singles it out and makes it like no other.

STYLE & Spirit

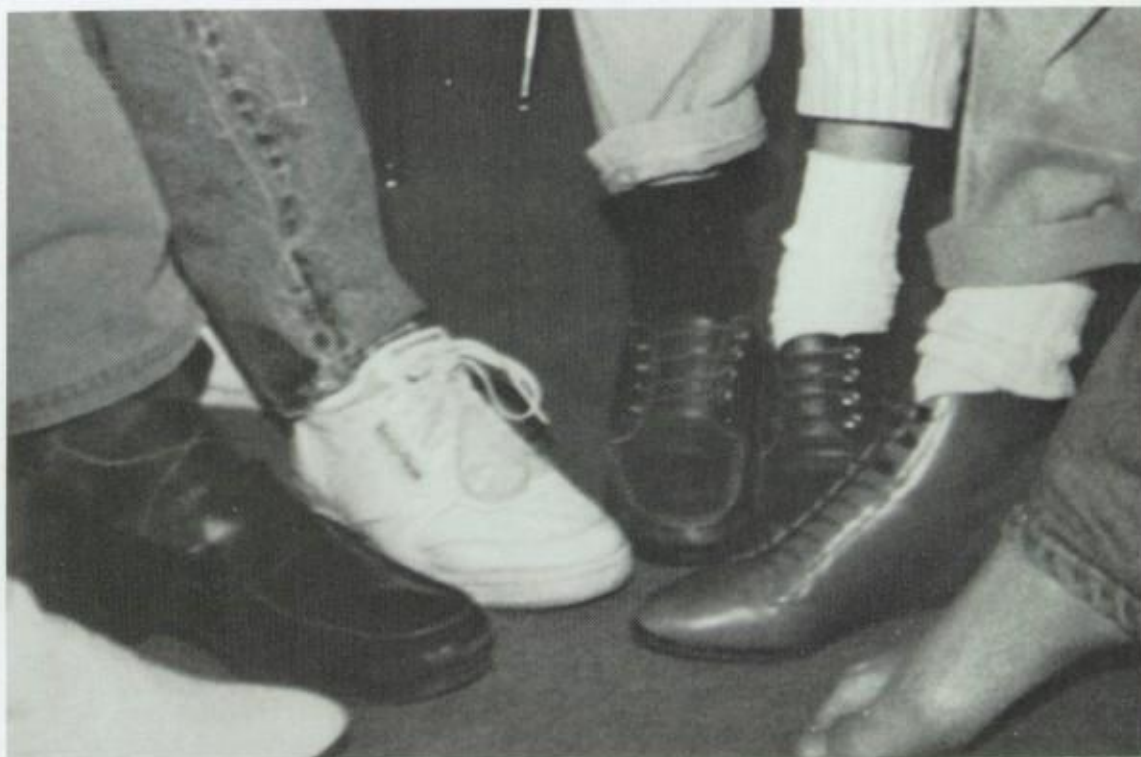

What's your style? Ask anybody to describe their style and you'll get a lot of different answers. Certain styles show a person's true spirit and is also a reflection of their personality.

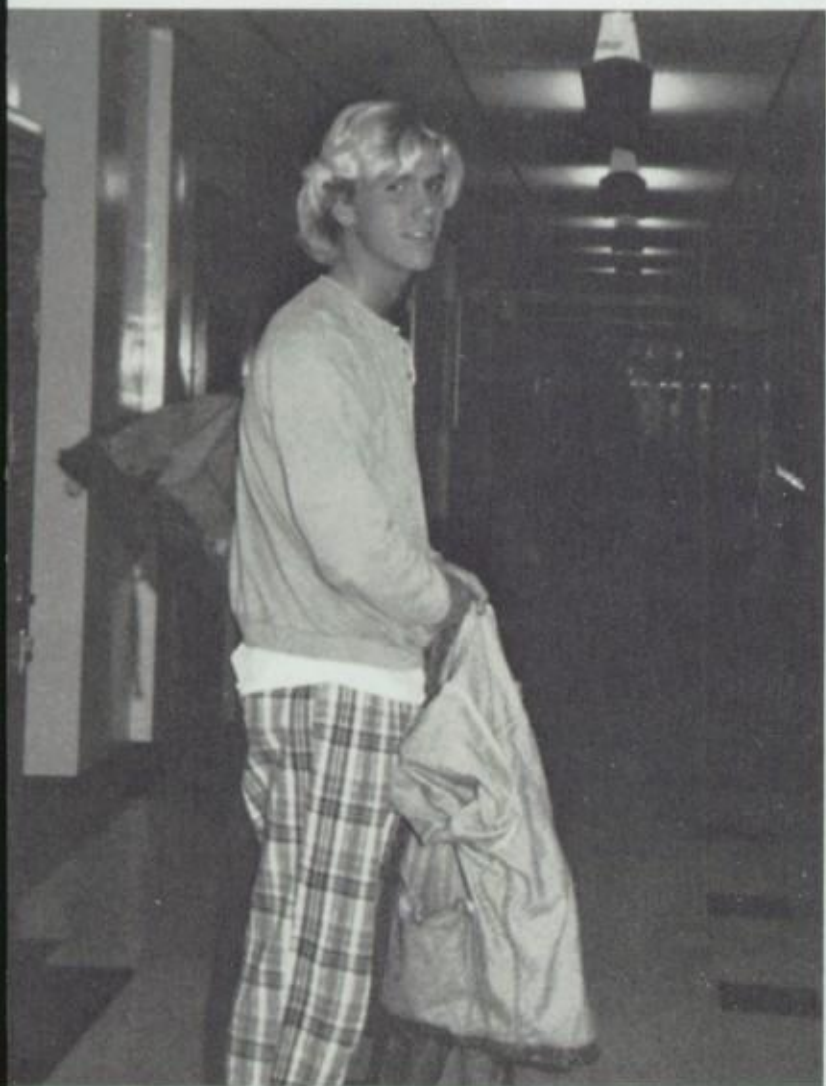

Every year we witness new and exciting items of clothing. Either it's something unique and unusual or it's a remnant of an old style. Maybe last years or even 20 years ago! Everything and anything! Short skirts, long skirts, pleated skirts, leather skirts, long-pleated-leather skirts. Anything goes as long as it is accessorized perfectly head to toe.

Fashions come and fashions go, but style lasts forever! Here's a look at just a few of this years styles

Let's not forget our feet! Shoes are a very important asset in our styles. Not only do they keep our toes warm, but they add that certain pizzazz needed to complement our outfits.

There are so many different types of shoes today. You can choose from different colors, textures, and styles. From high top "Bobo's" to Adidas, Filais, and Air Jordans, from Eastlands to Penny Loafers, and high-heel pumps to snakeskin flats . . .

Jeans . . . blue jeans, black jeans, dyed jeans, ripped jeans . . . Jeans! Jeans have been in style, it seems like forever. Every year we get a look of different types and ways they are worn. Jeans will never go out of style!

S
t
y
l
e

Styles make you able to unleash your imagination and Dover High students sure live up to it. We search for something that adds more, does more. Something with unique character. However and most importantly each individual's spirit is what gives style its greatest appeal!

NE 1
TOP 40 BAND
FOR ANY OCCASION

SHAWN QAISSAUNEE

(302) 492-8019

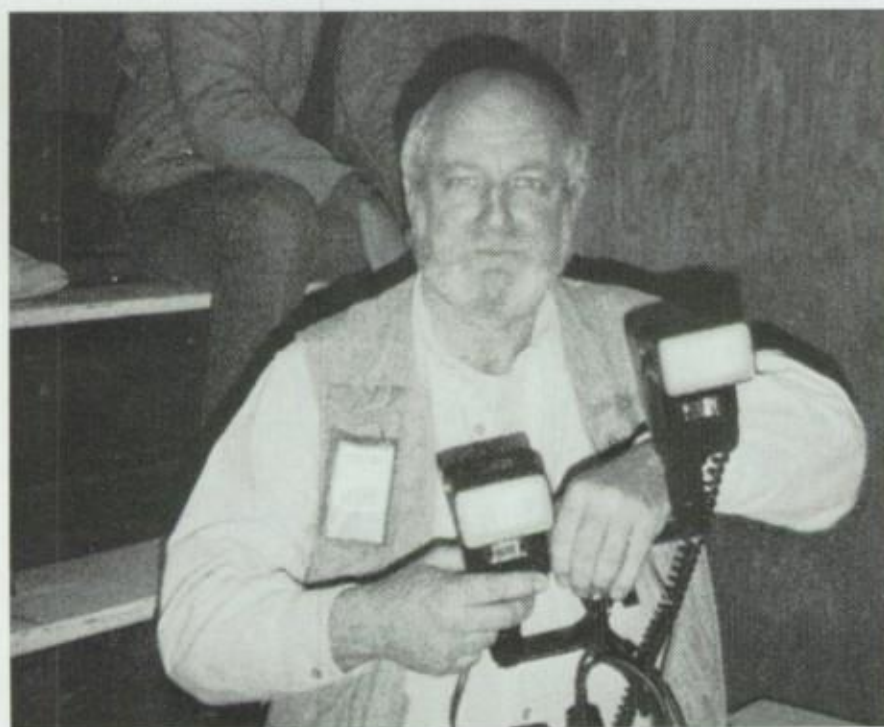

With all the bands that played at clubs and dances in Dover, none have sold out more than Dover's own NE-1. The group was started in 1986 by Jay Price and Shawn Qaissaunee. The band is composed of Jude Crossen, lead vocals, Jeff Whitney, percussion and backup vocals, Shawn Qaissaunee, lead guitar and backup, Jay Price, bass and backup, Heidi Palalay, keyboard, guitar, and vocals.

In addition to playing music by other artists, the group writes their own music and lyrics. Some of their better known songs are "Sometime" and "No More".

The band has played at many of the teen clubs around Dover, as well as school sponsored dances. In the future the band plans to continue to play around the Dover area, through the '87-'88 school year. They are also planning to produce a record in the near future.

Who's this man?

He's the one behind all those faces you see in our yearbook. That's right! Bob Johnston our photographer. Bob has faithfully taken pictures for the Dover High's yearbook; it seems like forever. Come rain or shine we could always depend on his dedication and hard excellent work. Thanks Bob!

Well, it depends on where you are or what you're doing. Having to shovel your way out of feet of snow isn't much fun, but on the other hand, being able to stay home from school is great!

This winter on January 26, 1987 we had the worst snow storm in years. It resulted in Governor Castle declaring a state of emergency and in the shut down of schools and major companies and businesses. Overall, about 20 inches of snow fell.

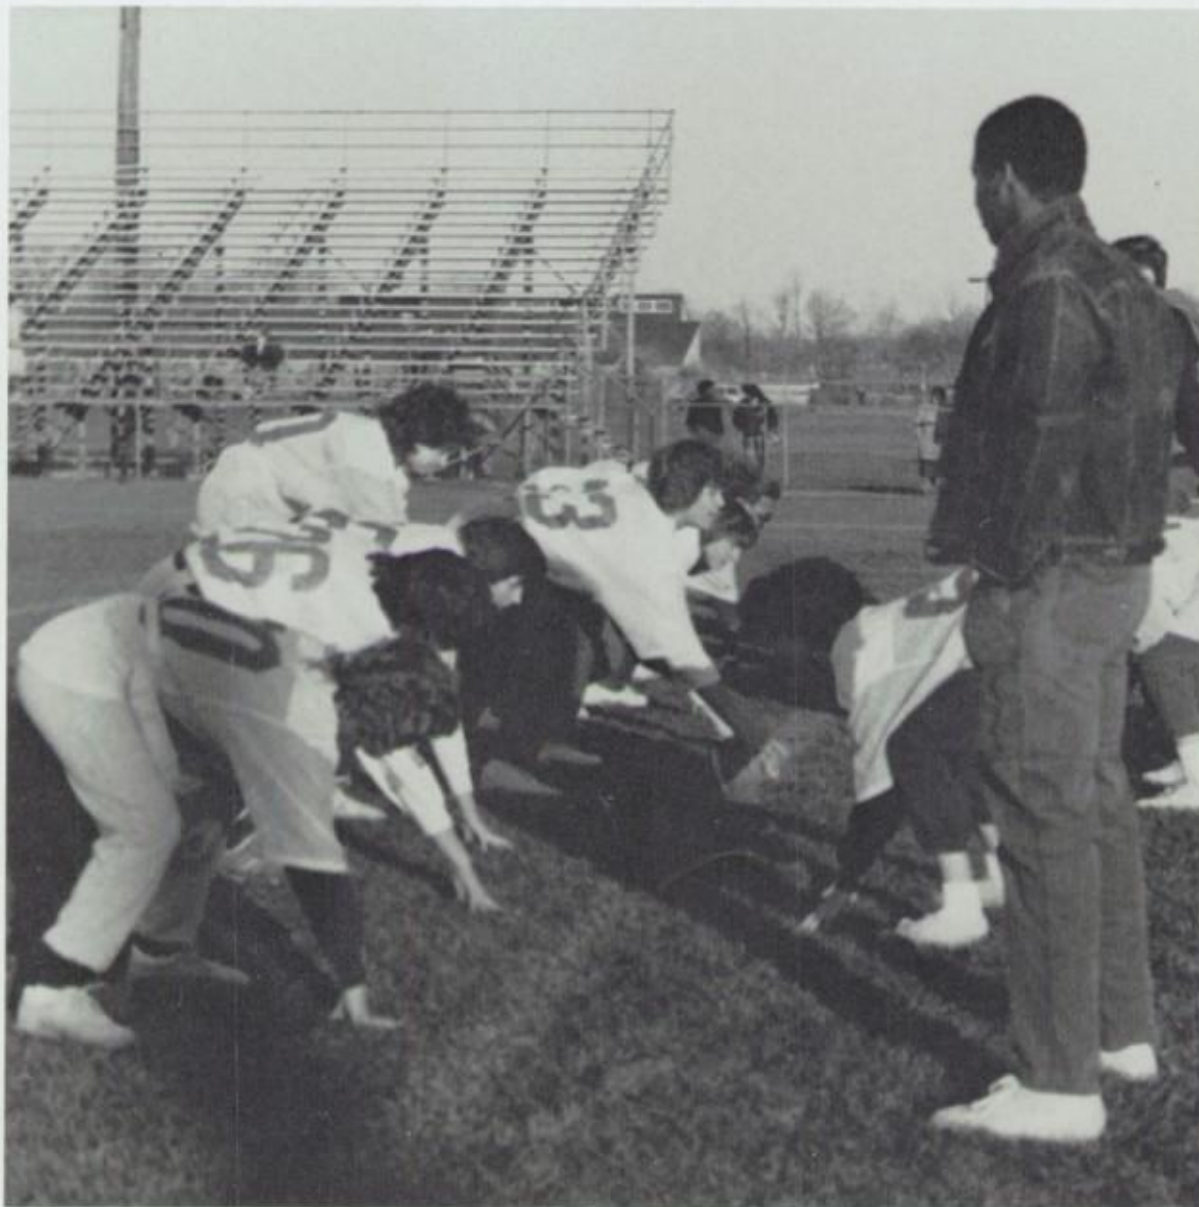

If The Guys

Can Do It . . .

On December 22, 1986, the rivalry began. It was the Seniors against the juniors and the "heat was on".

The unexpectant juniors could not premeditate their defeat. After three practices they felt prepared. Going on the field the underclassmen put forth a very good effort. The toughest opponents on the junior team were the Melvin Twins. They were a hard obstacle to overcome. Denise Gregory, the quarterback was another strong player on the junior offense. But everyone knows without the help of Rick Seeney, coach, and Rondey Organ, assistant coach, the team would not have been as strong a competitor as they were.

The undefeated Senior team was gentle with the younger rivals, but still came out victorious. The combined efforts of quarterback Holly Moore, and receiver Janelle Taulane, led to the succesful offensive attack and the scoring by the Senior team. The male coaches built up morale in the upper-classmen by chanting, "Mean, Nasty, Ugly!!!". The Seniors went out on the field confident and sure of their abilities. In the last thirty-five seconds, with tension mounting on both sides, Janelle Taulane scored a touch-down and then added a two point conversion. Making the score 8-0 and giving the Class of 87' an unbeaten streak.

On June 6 at 6:00 p.m. the Dover High School Class of 1986 marched onto the Dover High School Athletic Field to the graduation tune of "Pomp and Circumstance". Class president was Marc Koutoufaris and valedictorian and salutatorian were Phillip Higgins and Steve Welsh.

Graduation is every student's long awaited day as they begin a new phase of their life. Emotions were heightened as speaker Ukee Washington, alumnus "76" reminded the class that "June 6 was the last day they would all be together as a group and marked the first day of the rest of their lives."

True Blue

Underclass

Being an Underclassman means having to accomplish a lot, from those first scary days of freshmen life to the gratitude of a successful Jr-Sr Prom.

When we started at Dover High as freshmen most of us couldn't even see where we were going because everyone else was so much taller than we were. Being a freshman meant making big decisions that could affect our future.

As sophomores we learned that a drivers license was no longer a dream. It was a reality!

As juniors we were plagued with PSATs, SATs, and trying to decide what to do in our future lives.

Through all the hard times and work the Underclass shows just how TRUE BLUE they really are.

True Blue

Dover High School sponsors a number of clubs and organizations. Band and chorus allow students to develop their musical skills. They both support Kent County Band and All State Chorus and Band and provide the community with great entertainment.

On the academic front, we have the National Honor Society. Membership is based on the four areas of service, scholarship, leadership and character. German, French and Spanish Clubs provide students with the opportunity to learn more about their culture than is presented in class and allows them to prepare for language competitions.

Our literary endeavors allow students to be creative. The school newspaper, *The Senator*, informs the student body monthly about topics concerning school, sports and the world around us. The *Later Lotus* is an annual collection of student written literary works, that range from poems to short stories.

Our list of clubs is extensive. From OEA and DECA which provide students with business opportunities to COPE, a peer counseling service to Future Homemakers of America, students have a variety to choose from. Student involvement is essential to any of these groups and Dover High's student body is ready to volunteer, show their school spirit and be True Blue.

Computer Club

Craig Anderson and Mr. Wootten have been the main force behind this year's Computer Club. Each year, the club selects a project to work on. This year, they are building a HERO 2000 robot. Upon its completion, the robot will be able to follow a given set of commands which allow it to move around.

The Doverian Staff

What was the result of piles of layout sheets, dozens of broken cropers, writer's cramp, hundreds of pictures, lack of sleep, hard work, inexperience and dedication? This year's Doverian!

With a new, but brave advisor, Nancy Virdin and an unskilled staff, the 1987 yearbook was finally completed. This year's yearbook would never have been produced if Ms. Virdin hadn't taken on the responsibility so many other teachers had refused. Although this year's staff had no idea how much the difficult task involved, we remained calm and confident through it all.

In the end, the inexperienced had become skilled and highly proficient and a great yearbook was created.

"I know it was there a minute ago!"

Ed shows Rachel how to check a final layout.

Ms. Virdin measures a layout for copy.

Christine works on an ROTC layout.

With practice, comes the ability to smile any time.

Our editors hard at work.

Heather and Paul decide where a picture will go.

"Look! I can draw a straight line."

Enough of these silly pictures already.
